NARRATIVE**

REPORT TYPE:

INITIAL

SUPPLEMENTAL

This form is used with OPNAV 5527/1, "Incident Report" to record additional Narrative information.

At approximately 1900 hours, on 09 April 2006, I (Sergeant *Cb6*) observed a blue in color Cadillac Deville (CA 267YIZ) traveling N/B on Knox Road approaching Blandy Avenue. The vehicle had fuzzy dice hanging from the rear view mirror in violation of CVC 26708(a)(2) and the month tab was unreadable on the rear license plate in violation of CVC 5204(a). I conducted an enforcement stop at Blandy Avenue from Knox Road.

I contacted the driver of the vehicle, Nicholas Serna (Suspect), who was identified by his Georgia Driver's License. I advised Serna why he had been stopped. I asked Serna if his driving privileges in California were suspended or revoked for a prior DUI case. He said, "My insurance company told me my license is valid." A CLETS check revealed his California driving privileges were suspended or revoked for driving under the influence.

I arrested Serna and transported him to CLPD for processing. Serna was issued a misdemeanor citation (# 31058) for violating 14601.2(a) CVC, Driver's License Suspended or Revoked for DUI. He is to appear in East Kern County Superior Court, Ridgecrest Branch, on 16 May 2006, at 0815 hours. Serna was released to *Cb6* (VX-9/ASDO). A 30 day impound was placed on Serna's vehicle and it was towed by St. Clair's towing to the CLPD Impound Yard.

This case is submitted in a closed status. This report is forwarded for action/disposition.////End of Report///
